DAV Movement & the School

The D(ayananda) A(nglo) V(edic) institutions owe their sustenance to the Arya Samaj, embodiment of the progressive movement launched by Swami Dayananda Saraswati in 1875. The Swami was a great pathfinder of modern India. With the clarion call, "Back to the Vedas," he laid down the priorities of the Arya Samaj, of which the foremost was spread of education. With a view to bringing about a balanced and harmonious development of the future citizens of this country and infusing in them the ideals of Vedic Culture, a group of enlightened, dedicated and devoted followers of Swamiji founded the Dayanand Anglo-Vedic College Trust and Management Society, with which the highly influential DAV Movement was started. DAV PUBLIC SCHOOL, MOONIDIH was formed by Late N. D. Grover, the then Regional Director, DAV Public Schools, Ranchi Zone. This school was established in the year 1984 in collaboration with Coal India Limited in order to provide quality education to the children of the BCCL employees and the people of the locality as well. The school got affiliated to CBSE upto STD X in the year 1987 and upto STD XII (Arts, Science and Commerce) in the year 1992. The present strength of the school is nearly 2700 from LKG to STD XII with four and five sections in almost all the classes. The school is scaling new heights every year in scholastic and non scholastic areas & trying to come up with expectations of students and parents.
